EDUCATION

2021 - 2025
HYDERABAD INSTITUTE OF
TECHNOLOGY AND
MANAGEMENT

- BTECH (CSE-AIML)
- GPA 9.0

SKILLS

- Project Management
- Public Relations
- Teamwork
- Time Management
- Leadership

LANGUAGES

- C (Moderate)
- Python (Intermediate)
- Java (Beginner)

GNANITHA SURYADEVARA

WHAT I WANT ?

> As a machine learning engineer, I want to contribute my work to developing intelligent solutions that drive meaningful impact and advance technology in ways that improve people's lives.

> Being part of the SSG at my college, I organized numerous events that helped me recognize and develop my leadership potential. This experience taught me valuable skills in team coordination, event management, and communication, inspiring me to grow as a confident and effective leader.

WORK EXPERIENCE

- **Robokalam Technologies** 2024- PRESENT
AI Intern
 - As an AI Intern at Robokalam Technologies, I contributed to projects like Portfolio and Student Suits, designed to assess students' skill levels in their domains through targeted, question-based evaluations. By leveraging AI and machine learning, I helped build tools that identify individual capabilities, providing valuable insights into student potential. This role has allowed me to apply my technical skills in AI to create impactful solutions that enhance talent assessment and support student development.
- **IIITH** 2024
Speech analyst Research Intern
 - As a Speech Analytics Research Intern at IIITH, I received specialized training in speech analysis and worked on a language detection project. Leveraging a dataset of audio files, I developed a model to accurately identify languages, enhancing my expertise in machine learning and audio data processing.
- **BasketHunt** 2024
SME IT intern
 - As an IT intern and Subject Matter Expert (SME) at Baskethunt, I gained valuable experience managing time and adapting to work-life demands. While not directly related to my primary field, this role provided me with practical workplace efficiency and collaboration skills.

PROJECTS

- . Language Detection In IIITH
- . Malaria Detection
- . Image Classification using CIFAR Data set

Courses And Certifications

. NPTEL (PROGRAMMING, DATA STRUCTURES AND ALGORITHMS USING PYTHON)	APRIL 2023
. BASICS OF JAVA PROGRAMMING FROM GREAT LEARNING	MAY 2023
. PYTHON FUNDAMENTALS FOR BEGINNERS FROM GREAT LEARNING	JUNE 2023
. PYTHON FOR MACHINE LEARNING FROM GREAT LEARNING	JUNE 2023
. ARTIFICIAL INTELLIGENCE IN PRACTICE FROM IBM	JUNE 2023
. ENTERPRISE DESIGN THINKING PRACTITIONER FROM IBM	JUNE 2023
. NPTEL (PROGRAMMING IN JAVA)	OCT 2023
. PYTHON ZEROTOMASTERY FROM UDEMY	PRESENT
